DEBTOR'S MOTION

TO WAIVE APPELLATE FEES

To the Honorable Judge Joan Feeney, Bankruptcy Judge:

I, Andre Bisasor, the Debtor herein, make this Motion to Waive appellate fees.

In support of this motion, I respectfully represent the following

I am unable to afford the cost due to the negative impact on my finances. I previously filed a motion to waive the notice of appeal on the debtor stay ruling and am aware of the need to submit updated schedules before a ruling will be made. I am in transition currently and will need to submit updated schedules ^{due} until settled. In the meantime, I am filing this notice of appeal and motion in order to preserve my appellate rights since the court granted an extension until today's date to file a notice of appeal on Judge Feeney's 10/19/15 ruling. Also, negotiations with Greystar have progressed and is near reaching a settlement agreement.

WHEREFORE, the Debtor prays that this motion be ALLOWED.

Respectfully submitted:

However, just in case settlement is not fairly, I would like
to preserve my appellate rights. Also, I am filing this myself today (due to
my attorney being unavailable due to his case load and other obligations) in order to
ensure that I don't miss the deadline to file a notice of appeal.
I would ask that both this motion to waive and the previous one be
consolidated as I will be consolidating the appeals as well.

Sincerely
Andre Bisson
